

Continuing Professional Development Workshop

Attachment, Attachment Disorder, Trauma and Recovery

Led by: Joanna Beazley Richards TSTA, Registered Trauma Specialist

Sunday 14 and Sunday 21 October 2018 (9.30 to 4.30)

This workshop will introduce participants to the theory of attachment and attachment disorder, and of shock and trauma, the clinical difficulties that result and the nature of effective treatment. Please note that attendees must have attended a basic 'Trauma and Recovery' workshop prior to undertaking this course.

Drawing on the work of John Bowlby, Judith Lewis Herman and Babette Rothschild, topics such as the effect of neglect, childhood abuse and domestic violence will be outlined.

Much of the first day will be spent looking at the theory and research findings. The second day will explore treatment, including the "don'ts" as well as the "dos".

About the Workshop leader

Joanna is a Chartered Psychologist, a Teaching and Supervising Transactional Analyst, and is specially qualified in relation to learning disability. She has had a psychotherapy practice for more than thirty years and is an experienced Trauma specialist. Joanna has a special interest in working with the victims and perpetrators of violence and sexual offences. She is the founder and Managing Director of the Wealden Psychology Institute.
