

Wealden College of Counselling and Psychotherapy Taster Days

Are you a good listener? Do people tend to tell you about their problems?
Have you ever thought of getting some training in Counselling or Psychotherapy? Ever wondered what we
do at Wealden College and want to find out?

If so, book on one of our Taster Days in 2020 (2pm to 4.30pm).

You will have the chance to get a little taste of what counselling and psychotherapy are, get a feel for what it
is like to train at Wealden College, and to ask any questions you have about how to train as a counsellor or
psychotherapist. This will be an opportunity to meet one of Wealden College's tutors and get a feel for the
College and what it is like to train here.
