and Recovery***  
***Workshop held online***

**Led by: Joanna Beazley Richards TSTA, Registered Trauma Specialist**

**Monday and Tuesday 2 & 3 May 2022**

**This workshop will introduce participants to the theory of attachment and attachment disorder, and of shock and trauma, the clinical difficulties that result and the nature of effective treatment. It is recommended that participants attend the one day 'Trauma and Recovery' training by Joanna Beazley Richards, prior to attending this workshop, however this is not mandatory.**

**Drawing on the work of John Bowlby, Judith Lewis Herman and Babette Rothschild, topics such as the effect of neglect, childhood abuse and domestic violence will be outlined.**

**Much of the first day will be spent looking at the theory and research findings. The second day will explore treatment, including the "don'ts" as well as the "dos".**
